

The Long Shield 2017

The Long Shield is awarded for Sporting Potential

All our pupils in Key Stage One have worked really hard this year and have enjoyed their PE lessons. Many have been involved in after school clubs and some have represented our school at sporting events. Choosing a winner has been really difficult as the standard is very high.

However, the winners of the Long Shield this year, have been really focussed in lessons, showing enthusiasm and interest. They have displayed a determination to improve their skills and this motivated approach has really reaped rewards.

‘Potential’ is having or showing the capacity to develop into something in the future and I am certainly looking forward to a very bright sporting future for this year’s winners.

Congratulations to :

Belle Marshall

and

Tom Hall

On being awarded the Long Shield
